EXPERIENCE

Full-Stack Engineer • Team Lead

Shotgun.live

2019 - Present - 5 years, Paris

- Assist in scaling the company from $20M to $300M in yearly GMV
- Develop hiring & management processes to scale the tech team from 3 to 15 members
- Enhance infrastructure to support millions of daily visitors
- Revamp all applications (mobile and web) and APIs, optimizing for improved SEO and conversion rates
- Implement unique features that generate millions $ in revenue

Full-Stack Engineer

Shine.fr

2017 - 2019 - 2 years, Paris

- Designed and implemented the app onboarding flow that streamlined company registration, securing partnerships with companies like Deliveroo and Uber, contributing to Shine's rapid success
- Led SEO optimization of the website, building a pipeline of millions of visitors monthly
- Focused on building trust and awareness around our brand

Full-Stack Engineer

Spendesk.com

2016 - 2017 - 1.5 years, Paris

- Helped build the company's products from ground up (now valued at 1B$)

Full-Stack Engineer Intern

Cisco.com

2015 - 2016 - 6 months, San Francisco

- My team's mission was to explore the future of work by prototyping consumer apps within the corporate world, such as Alexa & Vine
