EXPERIENCE

Full-Stack Engineer
Shotgun

2019 - Present - 5 years, Paris

Hired as the first tech employee, I helped scaling our company from $1M to $20M ARR. My projects included enhancing infrastructure to support millions of daily visitors, optimizing the website for SEO, and revamping all apps and web platforms.

Full-Stack Engineer
Shine

2017 - 2019 - 2 years, Paris

Hired as the first tech employee, I designed the app onboarding flow, securing a partnership with companies like Deliveroo, and contributing to our early success. Additionally, I led the SEO optimization of our website and worked to build trust & awareness around our brand.

Full-Stack Engineer
