Hey I am Arnaud, a product ❤️.
I am looking for freedom, innovation and challenges.

Experiences

Software Engineer - Nabla (2019 - Current)
Empowering people and businesses with machine intelligence.

Growth & Product - Shine (2017 - 2019)
The bank account for freelancers and self-employed people.

Full-Stack Developer - eFounders/Spendesk (2016 - 2017)
Spendesk's mission is to change the way companies manage their payments.
`

Full-Stack Developer - Cisco Emerge (2015 - 2016)
A new innovation team in Cisco focused entirely on the future of work and collaboration.

Prior to Cisco, I also worked for **OVH** and **Geckoboard** as a Software Engineer.
